

Additional course costs

Compulsory costs

Costs involved in taking the undergraduate Engineering courses (in addition to University and College fees), as at August 2015, are as follows:

Table of contents

- [Essential equipment](#)
- [Non-compulsory costs](#)

Essential equipment

A full set of the essential equipment can be purchased at the Part IA registration for £42.26 in cash, cheque, debit or credit card.

Databooks

Databooks can be purchased for £10 as a complete set in a Shell UK ringbinder, usually at Part IA registration. Databooks are needed for all four years. Replacements cost £2 per booklet. and can be obtained from the [Teaching Office](#).

NB. After registration day drawing equipment, databooks and calculators should be paid for and collected from the IT Helpdesk in the DPO.

Drawing equipment

A set of drawing equipment can be purchased for £15.70, usually at Part IA registration. Items are individually priced as follows:

- 2H pencil and plastic eraser (50p)
- acrylic ruler (£2.60)
- pair of large spring bow compasses (£8.10)
- radius aid (£2.00)
- geo-liner (combined set square and protractor) (£1.00)
- erasing shield (£1.50)

Calculator

A suitable calculator (Casio fx-991ES) can be purchased for £16.56 . Note that you must have a calculator that conforms to the [regulations for use in exams](#)

Non-compulsory costs

Surveying trip to Scotland

Students taking this Part IIB module option between years 3 and 4 are required to pay £154 towards the two weeks' accommodation.

Additional course costs

Published on CUED undergraduate teaching (<https://teaching15-16.eng.cam.ac.uk>)

Language Unit trips

The cost of these optional trips for those taking language courses (which are often open to students in all years) is c. £200.

Photocopying and printing

Students are required to pay for [photocopying and printing](#) if they exceed their [quota](#), which is designed to accommodate the majority of the requirements of the course.

Constructionarium Part IIA project

Students taking the Constructionarium are required to buy safety boots costing about £20 and contribute up to £250 towards the cost of the course.

It is hoped that this contribution will be reduced to about £100 once the sponsorship of the course is confirmed.
